After School/Division approval, forward the last copy (without attachments) to University Enrollment Services for initial processing, and the remaining four copies and attachments to the Campus Chancellor or Vice-President.

## V701 Optometric Grand Rounds

**Course Description:** Grand Rounds is a 1 credit hour seminar course. The seminars will consist of four 30 minute presentation of unique cases in each of the following areas: Binocular vision /Pediatrics, Contact Lenses, Ocular Disease, and Primary Care. In addition there would be one Clinical Rounds session of actual clinical patients. All presentation will follow the American Academy power point guidelines.

### **Goals:**

- To expose the beginning clinical intern to unique clinical cases in Binocular vision / Pediatrics, Contact Lenses, Ocular Disease, and Primary Care.
- To expose the beginning clinical intern to the different approaches in the diagnosis and management of complex cases given limited clinical information.
- To train the clinician in presentation of cases using the American Academy power point guidelines.
- Further advance the intern's PBL skills and application of those skills to clinical practice.

**Instructors:** Dr. V Malinovsky, OD  
Dr. RE Meetz, OD, MS

**Presenters:** Case presentations will be given by residents, faculty, and selected fourth year students.

**Meeting Times:** The 2 hour seminars will be given twice each semester, meeting on Thursday 11:00 to 1:00 room 105. The clinical rounds will meet once on a Saturday each semester at 11:00 to 4:00 on the clinic floor.

**Attendance:** All 3<sup>rd</sup> year students are required to attend.

**Course grade:** A grade of P/F will be determined by a 2 hour final examination over the case presentations and attendance.
