HEARING SUPPORT GROUP
For Adults and Significant Others

You are cordially invited to our meetings! There is no charge, and Indiana University affiliation is not required.

Each month, a group of people with various types and degrees of hearing loss gather together to encourage and assist one another. These individuals seek to support each other as they walk a challenging and special path…that of dealing with impaired hearing. Attendees laugh, exchange information, discuss listening and coping strategies, and more…

The support group meetings are facilitated by a certified audiologist. In addition to discussion, meetings typically include a presentation by a graduate student on a relevant topic, such as recent hearing aid technologies, factors for successful use of amplification, troubleshooting, tinnitus, regulations, recent research findings, etc. You are welcome to attend and participate!

If you do not know the answer to a question, we can help you find it.

Strategies for movies, theater, and TV.

Brown-bag dinners are encouraged. Meetings are typically held on the second Friday of each month from 5:30–6:45 p.m. in Room 108 of the IU-SPHS building (HSG does not meet during summer months; please call to confirm meeting dates).
