**Mathers Museum Mission Statement**

The Mathers Museum is Indiana University’s museum of world cultures. Through its collections, exhibits, and programs, the Museum is dedicated to preserving and promoting knowledge of the world’s cultures, past and present. In all of its activities, the Museum strives to further its audiences’ understanding of both the diversity of the world’s specific cultures and the underlying unity of culture as a human phenomenon.
Practicum Opportunities

A practicum/internship at the Mathers Museum of World Cultures provides students with the opportunity to gain hands-on work experience in museums while earning academic credit through Indiana University's Department of Anthropology, Department of History, Department of Folklore and Ethnomusicology, and the Program in Arts Administration.

Museum practica and internships must be arranged with museum personnel, and authorized by the faculty of record for the specific practicum/internship course prior to registration.

To apply for a practicum/internship at the Mathers Museum of World Cultures, please review the following listings, and then submit a completed application (at the end of this document) to the appropriate departmental supervisor for an interview.

Application reviews begin April 11, 2016, but applications will be accepted until the positions are filled. Select candidates will be interviewed and must receive endorsement from the museum supervisor in order to enroll in the course.

After obtaining endorsement, the student must obtain authorization from the faculty of record. Students wishing to enroll in ANTH X476, ANTH A576, FOLK X476, and FOLK F803, should contact Dr. Jason Baird Jackson (jbj@indiana.edu), the Director of the Mathers Museum, for authorization for enrollment in those courses.

Students interested in enrolling in a practicum in Traditional Arts Indiana (FOLK X402 or FOLK F802) should contact Dr. Jon Kay (jkay@indiana.edu) for authorization for enrollment.

Students wishing to enroll in HIST X473 should contact History Department internship coordinator Susan Ferentinos (sferenti@indiana.edu) for authorization for enrollment in that course.

Students wishing to enroll in AADM Y550 should contact MAAA Assistant Director Megan Starnes (merflyn@indiana.edu) for authorization.

Acceptance of practicum/internship students is limited.
Orientation and Capstone Event

All practicum students are required to attend a student orientation each semester. Orientation for Fall Semester 2016 practica is Thursday, August 25, 4:30-6 p.m. During this orientation, introductions will be made, paperwork will be filled out, safety and security will be discussed, and a building tour will be given.

Students must also attend an event towards the end of the semester. On Thursday, December 8, 4:30-6 p.m., practica students will give brief talks on their practica experiences. These talks can focus on what you’ve learned about yourself, how you see this experience relating to your future professional life, what you learned about a particular artifact or place, or other information that demonstrates/explains your experience at the Mathers Museum. Participation in both the entry and exit events is critical.

Work Schedule

Students must provide to their supervisors a set work schedule at the beginning of the semester. If possible, work should be scheduled in time blocks of three hours or more.

Grading

All practicum hours must be completed during the semester you’re enrolled in order to earn a passing grade. Grades are raised or lowered based on the quality of practicum work and your adherence to museum policies and procedures.

All students must participate in the Practicum Capstone event, which will require a brief talk/presentation. The Practicum Capstone talk/presentation is 15% of the total practicum grade; the remainder of the grade is based on practicum work performance. Please check with your departmental supervisor for more specific guidelines.
The required number of practicum hours worked per week at the MMWC varies according to the number of credit hours of ANTH X476, ANTH A576 FOLK X476, FOLK F803, FOLK X402, FOLK F802, and HIST X473 the student is enrolled in, and the semester of enrollment. Please review the following table. Y550 students must complete 50 hours of work at the MMWC, and an additional 100 hours at two other institutions.
