**Horizons of Knowledge Lecture**

Sponsored by the Dept. of Anthropology, Dept. of Central Eurasian Studies, and the Sinor Research Institute for Inner Asian Studies.

**East-West Interaction on the Proto-Silk Road: An Archaeological Perspective**

Dr. Shuicheng Li

Professor of Archaeology, Peking University, China

April 8, 2:30-4:00PM

Student Building Room 159

Dr. Shuicheng Li is a professor of archaeology at Peking University, China. He received his Ph.D. in history from Peking University in 1996. His research focuses on Neolithic Northwestern China, early interactions between the East and the West, ancient salt industry, and environmental archaeology. He has been a major figure in many Sino-foreign collaborative archaeological projects in China since 2000.

For more information contact Dr. Ling-yu Hung (lhung@indiana.edu). If you have a disability or need assistance, arrangements can be made to accommodate most needs. Please call 855-1041.
