

DEPARTMENT OF APPLIED HEALTH SCIENCE

INDIANA UNIVERSITY
School of Health, Physical Education, and Recreation
Bloomington

The Department of Applied Health Science at Indiana University-Bloomington is seeking three new public health faculty members in the areas of epidemiology and biostatistics.

Assistant Professor, Public Health, Biostatistics, Tenure Track. Begins August 2008

Qualifications include a doctoral degree in biostatistics and an MPH is also desirable. Must have established or clear potential for developing and sustaining an active research agenda in an area specific to public health. The selected faculty member will contribute actively to the research, teaching and service missions of the Department and will maintain an active research agenda and publication record. Must show strong promise of acquiring grants and contracts. Faculty will also serve on departmental and school committees and remain actively involved in professional organizations. Deadline is February 1, 2008 or until a suitable candidate is identified. Send letter of application which includes a brief statement of professional objectives, complete curriculum vitae, and a list of at least three references. Only finalists will be asked to contact references to obtain support letters. Applications should be addressed to: Dr. Michael Reece, Chair, Search and Screen Committee, Department of Applied Health Science, HPER 116, Indiana University, Bloomington, IN 47405, Telephone: (812) 855-0068 or (812) 855-3627, E-mail: mireece@indiana.edu (e-mail contact is preferred for inquiries related to position).

Assistant/Associate Professor, Public Health, Epidemiology, Tenure Track. Begins August 2008.

Must have doctoral degree in epidemiology and background in chronic disease and/or injury prevention. Must have established or clear potential for developing and sustaining an active and collaborative research agenda in an area specific to chronic disease and/or injury prevention. MPH degree is also desirable. Must show strong record of acquiring grants and contracts. The selected faculty member will contribute actively to the research, teaching and service missions of the Department and will maintain an active research agenda and publication record. Faculty will also serve on departmental and school committees and remain actively involved in professional organizations. Deadline is February 1, 2008 or until a suitable candidate is identified. Send letter of application which includes a brief statement of professional objectives, complete curriculum vitae, and a list of at least three references. Only finalists will be asked to contact references to obtain support letters. Applications should be addressed to: Dr. Michael Reece, Chair, Search and Screen Committee, Department of Applied Health Science, HPER 116, Indiana University, Bloomington, IN 47405, Telephone: (812) 855-0068 or (812) 855-3627, E-mail: mireece@indiana.edu (email contact is preferred for inquiries related to position).
