FOR EPTO

Supervisor’s Name: ___________________________ Supervisor’s Position Number: _______________
**TASKS and FORMS (Yes - No – N/A)**

- Initiate “Maintain Person” to make sure there is no record in the system
- Create “Add New Person” eDoc* in HRMS to obtain University ID Number if new to IU (International routes to Office of International Services for University ID#)
- Create employment/welcome letter for new employees to obtain their Parking Permit

**Information to Employee**

- Inform employee that an email from IU Payroll will be received (an automated email sent to the personal email address provided by employee in the Hire forms) which contains instructions with how to create your IU email accounts, where to sign up for direct deposit, and federal tax exemptions.
- An email from HR will be received as well with health insurance (30 day deadline) and benefits information
- Inform employee to contact the UHRS records specialists (person who processes E-Docs and benefits paperwork) assigned to the department for benefits questions
- Inform employee where to obtain University picture ID (Campus Card Services)
- Timesheet or ePTO record is generated for employee. Clock in/out employees you may need to add their time for the first day if access wasn’t given (IMPORTANT: put a note on the timesheet)
- Notify department IT Office and request access to server, computer, equipment etc
- Access to IU Systems can now be requested

*Recommendation: When creating an add new person edoc include the non-IU e-mail address on the edoc so that the system gets the e-mail address to send the new employee through the IU Payroll system generated e-mail. IF no personal email is provided instruct employee to go to http://itaccounts.iu.edu provide them with their University ID so she/he can create an IU e-mail.

**SYSTEMS ACCESS**

- KFS (Initiate KFS User Document to establish a new TP user)
  - Follow path: Onestart > KFS > Chart of Accounts > System User Role > Lookup
  - Remember, an IU User Agreement must be completed by the new user and forwarded to UITS in addition to completing the KFS User Document. The entire process normally takes two or three working days.
  - Provide TOKEN to employee: to order a new token go to Onestart > Application Access > Step 3-OTP Token > Request OTP Token and fill out the form and submit
- IU Advancement IQ (ETA Web Access, Access to IUF Account Data) through Onestart
- HR HRMS eDocs Access
  - Follow path: Onestart > Administrative Systems > Application Access > Step 1: Training and Resources (FERPA & HRMS data use tutorial)
  - Please ask employee to complete both the HRMS and SIS Data Access Agreements (compliance forms) prior to submitting an “Add a new user” request. The “Add a new user” form will allow you to select what function the user will be performing. This will assist in ensuring that the correct roles and permissions are assigned to the user
  - Note: Employee must attend training in order to obtain access to HRMS E-Docs. Please see the HRMS Training for a class schedule. In addition, the user must complete the FERPA tutorial
- SIS Training Resources
  - Clients requesting access to system-wide admissions and/or student records data should use this site. Also clients who are part of an office with system-wide responsibilities should use this site to request access to admissions and/or student records data
- IUIE
  - Ask user to go to web site and click on the Register Tab at the top of the page and complete form
