HRMS ROUTING

HRMS-HUMAN RESOURCES

- Routing for HRMS documents is based on the organization structure.
- If the Organization has positions tied/mapped to the org the routing will begin with that Organization.
- Each Organization requires a Personnel Approver and Fiscal Approver.
- Each Personnel or Fiscal Approver may have a secondary delegate (multi).
- Optional Routing may be created to approved at the RC level and/or Campus level either one person based on document type or workgroup.
INTERNAL CONTROLS - VALUE ADDED

• Documents that do not route:
  • Service Billings
  • Indirect Billings (end of month, postage, physical plant)
  • Cash receipts/deposits
  • Financial aid
GROUP ACTIVITY

• If you are creating a new unit structure what would you create?
• What question would you like to be able to answer?
• What is confusing about object codes?

• Questions?
DISCUSSION

- What process would you put in place to:
  - Reconcile
  - Approve
  - Monitor/manage

- Concerns: duplicates, lost funds, fraud
