Regions of Specialization (ROS) in CEUS

- Baltic-Finnish (Green)
- Central Asia (Purple)
- Hungarian Asia (Orange)
- Iranian (Yellow)
- Mongolian (Red)
- Tibetan (Light Blue)
- Turkish (Dark Blue)

ROSs are based on related history and culture, not solely on language. Darker colors show core areas, where CEUS faculty have research experience and the languages are regularly taught at IU. Lighter colors show other areas where diverse Uralic, Altai, Tibetan, and Iranian languages are spoken.
