The Chabad House Jewish Student Center is founded on the principle that, while Jews embrace many levels of observance in their personal lives, there should be a place for all Jewish students — no labels, no affiliations — to enhance the experience of being Jewish, to learn, to grow and feel at home. We thank all of our supporters, parents, alumni and friends who selflessly give of themselves and partner with us to support Jewish outreach and enable us to serve the students of Indiana University and surrounding Jewish communities.

Thank you for your support!

Chabad House Jewish Student Center of Indiana University is a not-for-profit corporation and federally approved 501(c) (3) organization. All donations are tax-deductible.
