Open SUNY Institutional Readiness

Goal: Increase the capacity of campuses to ensure quality and success in online learning across the system, by:

- Increasing awareness of campus leadership of what it takes to ensure quality and success,
- Facilitating self-assessment to identify campus best practices and determine where gaps exist that need to be closed;
- Facilitating implementation planning to ensure that best practices are sustained and ensure that gaps will be closed; and
- Enabling benchmarking and the sharing of best practices between campuses for ongoing continuous quality improvement across the SUNY system.
