

Engage in  
experiential  
discovery of the  
university as  
culture

Improve your  
English language  
use for interaction  
with faculty, class  
discussion, and  
writing research  
papers

Explore the US  
culture of learning, including  
group work and service  
learning. Learn how to succeed  
academically in classrooms and  
in other learning environments
