Chinese new year story:

Chinese new year is on 2/19/2015, and it’s the year of sheep.

During Chinese new year, people clean their house, and put on Chinese couplets on the door and play fire crackers.

People will also visit their family and friends to wish them a very happy new year.

At night, family will have a big dinner. In Chinese New Year dinner, people eat fish, dumplings and long noodles.

And after the dinner, the elders will give kids money in red envelopes to wish them have a happy new year.

Red is a lucky color, so everything is in red during Chinese New Year.
