

# **The Checks Lab**

## **Nature-of-Science Activity**

- \* Work in groups of 3 or 4.....**
- \* Keep the 'checks' (evidence) hidden in the envelope.....**
- \* Pull out ONLY 3 checks, and discuss with your group what situation the checks imply**
- \* Record the implied scenario.....**
- \* Now, pull 3 more checks and modify the scenario.....**
- \* Now, pull 3 more checks and further modify the scenario.....**
- \* Publish your results by describing your analysis to the group**
