

100,000 years = 10 yards

so... 1 million yrs = 1 football field...

**SCALE: 10 years = 1 mm**

100 years = 10 mm,

1000 years = 100 mm,

10,000 years = 1 meter = ~ 1 yard,

100,000 years = 10 yards,

1,000,000 years = 100 yards - 1 fbf

so **1 million years = 1 football field!**

**EASY TO VISUALIZE:**

100 million years = 100 fbf or 6 miles

500 million years = 500 fbf or 30 miles
