

1 year = 10 yards

so... 10 years = 1 football field...

**SCALE:** 1 day = 1 inch

1 year = 10 yards

10 years = 1 football field,

100 years = 10 football fields,

1000 years = 100 football fields,

10,000 years = 1000 football fields,

100,000 years = 10,000 fbf

1,000,000 years = 100,000 fbf

so 1 million years = ~ 5,700 miles!
