

The Department of French & Italian  
Student-Faculty Forum Series  
presents a special session

## **Transitions:**

From graduate student  
to faculty member

**Friday, November 5, 2004**  
**2:30-3:30 pm**  
**Ballantine Hall 144**

All French & Italian graduate students and faculty are invited to this special session devoted to issues that face graduate students -- both beginning and advanced -- as they make their way into the community of scholarship on French and Italian literature and linguistics. New FRIT faculty members Jérôme Brillaud and Oana Panaïté will speak about their experiences in making the transition from graduate school to the "real world" of academia. There will be time for discussion and questions and, as usual, refreshments.

Come meet our new faculty members and find out what you can do NOW to ensure smooth transitions in the future.
