

Integrating International & Civic Education (IICE):

An Invitation to Deliberate

9am-3pm
Tuesday, March 16, 2010
Arsenal Tech High School,
Indianapolis

Secondary Teachers:

Join us for this FREE, hands-on, interactive workshop and learn how to use deliberation as an effective teaching method in your classrooms

FREE ready-to-use classroom activities and handouts provided

Certification Renewal Units (CRU's) available

Deliberation...

- sharpens active listening and critical thinking skills
- encourages civil discourse involving multiple perspectives
- piques interest in international, historical, and current topics
- adds diversity and creativity to classroom instruction
- meets a variety of Indiana Standards
