

Integrating International & Civic Education: An Invitation to Deliberate

9am-3pm
January 19, 2010
Pike High School,
Indianapolis

Secondary Teachers:

Join us for this **FREE**, hands-on, interactive workshop and learn how to use deliberation as an effective teaching method in your classrooms

FREE ready-to-use classroom activities and handouts provided

Deliberation...

- sharpens active listening and critical thinking skills
- encourages civil discourse involving multiple perspectives
- piques interest in international, historical, and current topics
- adds diversity and creativity to classroom instruction
- meets a variety of Indiana Standards
- enjoyed by teachers and students alike
