"Filmmakers Violeta Ayala and Dan Fallshaw travel to North Africa intending to make one film only to discover a hidden truth that takes them on a journey they could never have imagined. The story follows a Saharawi refugee separated from her mother, since she was a toddler, and reunited through a UN family reunion program. The reunion reveals a secret and the film quickly spirals into another world. It becomes difficult to distinguish who are the good guys, as the 'good guys' turn bad and the 'bad guys' appear to do good." --Ayala/Fallshaw, IMDB

The film screening will be followed by discussion.
Everyone is welcome!
