

Stephen Flynn is one of the nation's top authorities on homeland security. As author of *The Edge of Disaster: Rebuilding a Resilient Nation* (Random House 2007) as well as other works, a Consulting Professor at Stanford University, and frequent media commentator appearing on Meet the Press, 60 Minutes, and CNN among many others, Flynn represents one of the most important figures in today's national security scene. He is the former director for Global Issues on the National Security Council, former lead consultant to the US Commission on National Security, and nineteen-time testifier on Capitol Hill post-9/11.
