Graduate & Professional Student Government (GPSG) Resolution Regarding Campus Fitness Facilities

Whereas, The Bicentennial Strategic Plan for Indiana University Bloomington commits the university to creating a safe, vibrant, and healthy community,

Whereas, The Bicentennial Strategic Plan for Indiana University Bloomington states that the university will make health and wellness central to student life,

Whereas, The Bicentennial Strategic Plan for Indiana University Bloomington states that the university will be a desirable and amenable venue for attracting and retaining graduate students,

Whereas, The Bicentennial Strategic Plan for Indiana University Bloomington ensures that the university will create an inviting on-campus atmosphere,

Whereas, The Indiana University Mission Statement guarantees outstanding student services,

Whereas, The President’s Council of Fitness, Sports, and Nutrition recommends that adults participate in at least one hundred fifty minutes of exercise each week,

THEREFORE, be it resolved by the Graduate and Professional Student Government Assembly, as the official representative of the graduate and profession student body at Indiana University-Bloomington, that

(1) Indiana University School of Public Health, Recreational Sports, and other appropriate offices should investigate avenues for offering and marketing additional opportunities to graduate students, particularly with respect to exercise facilities.

(2) Indiana University’s Vice President of Capital Planning and Facilities and related offices should design any new facilities and with strong consideration for access to exercise facilities.

Respectfully submitted to and passed by the Graduate and Professional Student Government Assembly on this 4th day of December, 2015.
