The Kelley Institute for International Business is hiring program assistants for three summer programs ranging from two weeks to two months.

**Business is Global (BIG) - July 2-17**
Business and language program for 20-40 high students from across the US.

**Global Business Institute (GBI) - July 1-July 30**
Enterprise program for 100 undergraduate students from the Middle East, North Africa, and Near Asia.

Undergraduate or graduate PAs will live in the residence hall with the students and work with IIB staff to facilitate a positive learning environment for the programs. PAs serve as role models and ensure the physical and emotional safety of participants, while also ensuring the program is both fun and educational.
