Purpose
By helping to create a community of educational diversity and inclusion, the Hudson & Holland Scholars Program (HHSP) serves as an integral part of Indiana University’s efforts to foster the benefits of educational diversity. HHSP is an inclusive program committed to the recruitment, support, and retention of students who embody the program's core values of leadership, excellence, academics and diversity.

Mission
The mission of HHSP is to recruit, retain and prepare students, particularly those from under-represented student populations, who possess outstanding records of academic achievement, strong leadership experience, and a commitment to service and social justice to be responsible citizens and future leaders of tomorrow.

Scholars with an overall GPA below 3.00 after fall semester will be given grade watch status but will still maintain full scholarship for spring semester. Your GPA at end of spring determines your scholarship level for next academic year.

If your overall GPA is under 3.00 at end of spring semester you may choose to take summer courses through IU in order to improve your GPA and regain the half (2.50-2.99 GPA) or full scholarship (3.00 GPA or above) award for next academic year.

Scholars should notify Jennifer Poe (jeapoe@indiana.edu) of a summer GPA increase that merits a change in award status.

Our award cannot be used for summer courses.
Students are expected to comply with all program requirements and program participation is monitored through student submissions in HHSP “Student Portal.”

Failure to comply may result in the loss of scholarship funds known as deductions.

If you are a **Direct Admit (DA)** to an academic degree program (Accounting, History, Biology, etc.) then you have both a school/major academic advisor and a HHSP academic advisor.

If you are not a DA then you are in the **University Division (UDIV)**, and your academic advisor is your HHSP advisor until you certify into a degree program. Once you certify into a degree program, you will have a new academic advisor within your major.

Regardless of whether you enter IU as a Direct Admit or through University Division, you will have an HHSP Advisor throughout your 4 years at IU.
