

Principles of Hydrogeology (G451) Course Portfolio

CHEN ZHU

Department of Geological Sciences, Indiana University
(812)856-1884, chenzhu@Indiana.edu

TABLE OF CONTENTS

Course Data.....	1
Introduction and the Role of G451 in the Curriculum.....	2
Course Goals.....	2
Engaging Students	3
Instructional Practices and Innovations	4
Approach.....	4
Organization and Preparedness.....	7
Delivery.....	7
Guest Lectures	7
Office Hours.....	7
The Research Paper and Presentation.....	8
Assessment.....	8
Homework.....	8
Research Papers and presentations	8
Final Exam.....	9
BEST evaluation.....	9
Conclusions and Directions for the Future	9
Summary	9
APPENIDX A. Syllabus	10
APPENIDX B. Research paper/class Presentation.....	12
APPENIDX D. Homework 1-3.....	15
APPENIDX E. Study Guide for Chapter 18.....	18
APPENIDX F. Reading List for Isotopes.....	20
APPENIDX G. Final Exam with solutions.....	21
APPENIDX H. Student research papers and homework.....	26
