Hey everyone!

This year we are continuing with our ANNUAL HONORS COLLEGE FOOD DRIVE for the Salvation Army! We have expanded the drive to include new collection sites at RPS honors residence hall floors including Briscoe, Teter and Forest. There will still be a collection box at the new Honors College building.

The area food banks are really hurting this year and need our help! Some individual organizations are in such great need of food that they are even having to ask for donations from other food banks.

We at the Hutton Honors College have decided to help out.

The food drive started November 13th, and it will continue through the second week of December, through December 13th.

As mentioned we will have **boxes set up in the advising waiting area of the Hutton Honors College and the lounges of the RPS honors residence hall floors**. Feel free to bring by any non perishable food items (canned goods, boxed goods, etc) that you currently have or would like to purchase for donation. Remember that the holidays are coming up and there are a lot of people (especially with the economy the way it is) who cannot afford to eat or feed their families. So please pick up a couple of cans or boxes of food to drop off on your way to class!

***Remember we are the white limestone building on the corner of Woodlawn Ave. & 7th street, across from the Union, so you can easily bring a couple of cans with you on your way to class and drop on by!

Freshmen- this is a great opportunity to use those extra meal points at the C-Store and help out the community!

All of the food will be going to people who live right in our community. **We would really appreciate your help!** Please e-mail us at honorvol@indiana.edu if you have questions.

Thanks so much!

Garrett and Kelem
