

Dear HHC Students,

2011-12 marks the second year of the Hutton Honors Fund which provides resources for HHC student-led activities organized by HHC students like you. The fund helps pay for events and initiatives like Bagel Breakfasts, the HSO Fall Fest, Holiday Party, Winter Ball, Spring Cookout, and many more HHC student organization-sponsored activities. An annual contribution to the Fund (\$5 per HHC student per academic year) appeared on your Bursar's bill in July.

Hutton Honors Funds come right back to HHC students, so we take seriously the responsibility of determining how these resources are allocated. The HHC Funding Board – constituted by HHC students – makes these important decisions.

HHC Student organizations and individual honors students are eligible to apply for funds. The HHC Funding Board reviews applications every other week; more information about applying for funds and about the Board can be found on the HHC website at <http://www.indiana.edu/~iubhonor/FundBoard/Funds.php>. After consulting this site, if you have any questions about the Fund, don't hesitate to contact the Board at hcfb@indiana.edu.

Cordially,

**Dean Matt Auer
