Dear HHC Student,

If you are planning on going on to graduate study and have an interest in doing a graduate degree at a British or Irish university, please check out the information about Rhodes, Marshall, Mitchell, and Churchill scholarships available below. These scholarships are among the most prestigious graduate scholarships offered to American students and attract strong candidates from around the country, and all require nomination by a candidate’s university.

This year’s CAMPUS DEADLINE for all four scholarships is MONDAY, SEPT. 10, 2012.

Please click on these links to learn more about the IU nomination process for these scholarships, and follow the links on the HHC pages to learn more about the scholarships themselves:
