Introduction to Social Work (S141) is one of seventeen social work courses required for the Bachelor of Social Work (BSW) degree. Students who seek admission to the BSW degree program must complete this course prior to applying to the Indiana University School of Social Work. As this course introduces students to knowledge pertaining to the characteristics, functions, and requirements of the social work profession, it prepares those formally admitted to the BSW degree program for further study in the knowledge, skills, and competencies necessary for effective generalist social work practice.
