SPH-B150 (35359) Introduction to Public Health
Mary Lay
TuTh 5:45pm-7:15pm
SPEA (PV) 276

(Formerly HPER-T 150) Focuses on rationale, history and development of public health in the U.S. and globally. Emphasis on underlying theories, scientific, and social basis for public health practice plus the impact of critical public health concerns on society. Professional disciplines, organizations, and methods that interact to improve the public’s health are addressed.
