Meets with SPEA-V 220

This course provides a basic understanding of the origins, process, and impact of law in the making and implementation of public policy. The course’s major objective is to provide students with the substantive concepts necessary to understand the judicial system and law in its various forms.

The honors version of this course requires consent of SPEA Honors advisor. Course covers same content as SPEA-V 220; however, students will complete advanced coursework.
