Meets with SPEA-V 236

Course introduces domestic and global challenges of management in the public, nonprofit and private sectors. Examines a range of management concepts and how they can be applied in a contemporary setting. Topics include the organizational environmental; strategic planning and management; and performance. First of a 2-part sequence.

The honors version of this course requires consent of SPEA Honors advisor. Course covers same content as SPEA-V 236; however, students will complete advanced coursework.
