Meets with SPEA-V 463

P: SPEA-V 236 and SPEA-V 336

Key interpersonal skills will be modeled through a variety of media and experiences. Students will practice these skills and receive feedback. Students will be expected to participate in structured experiences designed to give them insight into their behavior and how it will affect their ability to achieve personal and professional objectives.

The honors version of this course requires consent of SPEA Honors advisor. Course covers same content as SPEA-V 463; however, students will complete advanced coursework.
