1. IU Bloomington and IUPUI require a pre-admission test as part of the School of Nursing application process. The Test of Essential Academic Skills is required to apply to the School of Nursing. No other version of the TEAS test can be accepted. You may take the ATI TEAS test no more than 2 times in a two year period. For your nursing application, the composite score of your second test will be used.

2. ATI is transitioning to a new version of the TEAS test – the new version is called “ATI TEAS”. The ATI TEAS test will be the only test available after 8/31/16. If you have completed the previous version of the TEAS test (TEAS V), this composite score may be used for the School of Nursing application (if the results are not older than 2 years).

3. The deadline for taking the exam on the IUB campus if you are applying for Fall 2017 admission to IUB and/or IUPUI is March 4, 2017.

4. There are 170 total questions on the exam that cover Reading, English and Language Usage, Math and Science (including anatomy and physiology). You will have 209 minutes to complete the exam. You can purchase study materials and practice tests from the ATI Online Store. Study materials from the TEAS V version do not cover material on the ATI TEAS version.
