

Field Station Campus, Laundry Facilities, ATM's, Etc.

- The Field Station is located in the foothills of the Tobacco Root Mountains. The closest general stores are about 15 miles away in Whitehall and Harrison.
- Except on weekends, students spend their evenings at the Field Station.
- On weekends, no student is allowed to leave the Field Station except for activities approved by the Director.
- All of the evening work, study, and recreation are done in the main lodge or in the classroom/lecture building. The dormitories lack the lighting, heat, and space to permit much activity other than sleeping.
- Ample showers are available in two bathhouses that are separate from the dormitories.
- Laundry facilities are available at the Field Station. Quarters are needed for washers and dryers.
- ATM's are available at various locations on the caravan trips as well as during the course on Saturday evening trips to town.
- Prepaid phone cards are necessary to make outgoing calls on the student phone.
