The mission of the Indiana Latino Leadership Conference is to celebrate the uniqueness of Latina/o students in a forum by and for students. This forum seeks to cultivate the exchange of ideas, values, and beliefs in order to promote scholarship, leadership development, and empowerment of Indiana’s college and high school Latina/os. The conference is scheduled for Saturday, March 7th, 2015 at Indiana University campus in Gary, Indiana.

This year as part of our 16th year anniversary, we are taking this time to reflect on the history and accomplishments of Latinos as well as where we hope to be in the years to come. The Indiana Latino Leadership Conference aims to express this through its main theme: “Together we rise: #quererespoder” The Latino population will have an impact in the area of demographics, but it is for us to determine where we will have an impact on other aspects of U.S. society. What can we learn from our past to plan for the future?

On behalf of the planning committee, we would like to invite you to take part in the 16th Annual Indiana Latino Leadership Conference as an exhibitor. This annual conference hosts over 350 Latino high school and college students from across the state of Indiana. Through the exhibitors, we hope to share with attendee’s information on colleges/universities, scholarships, career opportunities, internships, and Latino orientated organizations. If you are interested in securing a booth during this conference, please let us know by Thursday February 19th, 2015. Booth fee for non-profit organizations (including student groups) is $25.00 and for for-profit organizations (including University affiliates) is $50.00. If the booth representatives will be joining us for breakfast and lunch, there is an additional $10.00 fee per person.

If you have any questions, please don’t hesitate to contact Melissa Montes at melimont@iusb.edu. To register, please send us the following form and make payment through link provided at the end.
