Review of *Transnational Cooperation among Labor Unions*, ed. by Michael E. Gordon and Lowell Turner in *Transfer* 7:4 (winter 2001).

Review of *Imitation and Politics: Redesigning Modern Germany* by Wade Jacoby in *Transfer* 7:3 (fall 2001).

Review of *Transformation at Work in the New Market Economies of Central and Eastern Europe* by Anna Pollert in *Transfer* 6:3 (fall 2000): 526-529.

WORK IN PROGRESS

“The Politics of Childbirth,” book-length research project about policy divergence among OECD countries in reproductive health.

“European Union Policy Implementation and Civil Society,” paper on the effect of associational membership, volunteer activities, and protest mobilization on member states’ ability to implement and enforce EU policies.

RESEARCH INTERESTS

Borders and their effects on rules: regional integration and state formation; cross-border policy diffusion and knowledge transfer; policy divergence among advanced industrialized countries.

State-society relations: social movements; transnational policy networks; intergovernmental, state, and nonstate actors; transnational contentious politics; politics of reproductive health.

TEACHING EXPERIENCE

Comparative Politics: survey of the field; intersections between comparative politics and international relations; regional integration (Europe); comparative European politics; social movements; comparative social and labor policy; transnational politics; politics of reproductive health.

Public Policy: survey of the field; health and social policy in advanced industrialized countries; comparative public policy; law, bureaucracy, and administration; reproductive health policy; European regulatory policy and the courts.
