Grading Policy:

Students are expected to attend all classes on time, except for medical or other emergencies. Several quizzes are given, to check learning of morphological paradigms and other factual information. Quizzes are counted as approximately 1/4 of the grade; the midterm as 1/4, and the final as 1/2. Classroom performance can also raise or lower the final grade by a "plus" or "minus." Students are expected to attend and take quizzes, the midterm, and final exam, unless prior arrangements have been made, due to extenuating circumstance, such as a medical excuse.
