**Codebook for the General Social Survey extract, 1990-1998 (icpsr_gss4)**

**id**: ID number of respondent (specific to year)

**year**: year of survey

Did R participate in the survey in **year90, year91, year93, year94, year96, or year98**

0: No 
1: Yes

**male**: Male? 
**female**: Female?

0: No 
1: Yes

**race**: Respondent’s race (self-identified)

1: White 2: Black 3: Other

**black**: Are you Black? 
**othrace**: Are you of another race? (Not Black or white) 
**white**: Are you white? 
**nonwhite**: Are you nonwhite?

0: No 
1: Yes

**marital**: Respondent’s marital status

1: Married 2: Widowed 3: Divorced 4: Separated 5: Never married

**ms_mar**: Is the respondent married? 
**ms_widow**: Is the respondent a widow? 
**ms_div**: Is the respondent divorced? 
**ms_sep**: Is the respondent separated? 
**ms_dvsep**: Is the respondent divorced or separated? 
**ms_never**: Is the respondent never married? 
**evermar**: Has respondent ever been married? 
**everdiv**: Has respondent ever been divorced? (Constructed from GSS divorce variable)

0: No 
1: Yes

**agewed**: Age at first marriage (in years) 
**agekdbrn**: Age at birth of first child (in years) 
**age**: Respondent’s current age (in years) 
**agesq**: Respondent’s current age squared
sibs: Number of siblings
   11: More than 10

chldrn: Number of children

family16: Respondent’s family structure at age 16
   0: Other
   1: Mother & father
   2: Father & stepmother
   3: Mother & stepfather
   4: Father only
   5: Mother only
   6: Male relative
   7: Female relative
   8: Male & female relatives

fm16_2bp: Respondent lived with both biological parents at 16?
fm16_fsm: Respondent lived with father and stepmother at 16?
fm16_msf: Respondent lived with mother and stepfather at 16?
fm16_mom: Respondent lived with mother only at 16?
fm16_dad: Respondent lived with father only at 16?
fm16_oth: Respondent lived with other people at 16?
   0: No
   1: Yes

fm16dif: Explanation of why R did not live with mother & father at age 16 (if applicable)
   1: Parent died
   2: Divorce or separation
   3: Armed forces
   4: Institutionalized
   5: Other

fm16_ded: Respondent’s parent was dead when R was 16?
fm16_div: Respondent’s parents were separated or divorced when R was 16?
fm16_arm: Respondent’s father was away in the army when R was 16?
fm16_ins: Respondent’s parent institutionalized when R was 16?
   0: No
   1: Yes

educ: Respondent’s education in years
speduc: Spouse’s education in years
paeduc: Father’s education in years
maeduc: Mother’s education in years

degree: Respondent’s educational attainment
spdeg: Spouse’s educational attainment
padeg: Father’s educational attainment
madeg: Mother’s educational attainment

   0: Less than high school
   1: High school
   2: Junior college
   3: Bachelor’s degree
   4: Graduate

ednohs, spednohs, paednohs, maednohs: Respondent/Spouse/Father/Mother didn’t go to high school
edhs, spedhs, paehs, maehs: Respondent/Spouse/Father/Mother went to high school
edjcol, spedjcol, paedjcol, maedjcol: Respondent/Spouse/Father/Mother went to junior college

Codebook for the General Social Survey extract, 1990-1998
edcol, spedcol, paedcol, maedcol: Respondent/Spouse/Father/Mother has a Bachelor’s degree

edgrad, spedgrad, paedgrad, maedgrad: Respondent/Spouse/Father/Mother has graduate degree

0: No 1: Yes

jobtype: Respondent’s job type
spjobtyp: Spouse’s job type
pajobtyp: Father’s job type
majobtyp: Mother’s job type

1: Upper nonmanual 2: Lower nonmanual
3: Upper manual 4: Lower manual

jobuwc, spjobuwc, pajobuwc, majobuwc: Respondent/spouse/father/mother works upper nonmanual job
joblwc, spjoblwc, pajoblwc, majoblwc: Respondent/spouse/father/mother works lower nonmanual job
jobubc, spjobubc, pajobubc, majobubc: Respondent/spouse/father/mother works upper manual job
joblbc, spjoblbc, pajoblbc, majoblbc: Respondent/spouse/father/mother works upper manual job

0: No 1: Yes

jobsei: Respondent’s occupational prestige score
spjobsei: Spouse’s occupational prestige score
pajobsei: Father’s occupational prestige score (while R was growing up)
majobsei: Mother’s occupational prestige score (while R was growing up)

Range for occupational prestige scores: 17-86

faminc: Respondent’s family income, in thousands of dollars
respinc: Respondent’s own annual income, in thousands of dollars
realinc: Respondent’s family income, in inflation-adjusted (constant) dollars
realrinc: Respondent’s own annual income, in inflation-adjusted (constant) dollars
p_faminc: Proportion of family income that is respondent’s income

partyid: Respondent’s political party identification

1: Strong Democrat 2: Weak Democrat
3: Independent, closer to Democrat 4: Independent
5: Independent, closer to Republican 6: Weak Republican
7: Strong Republican

1 For more on SEI occupational prestige and the GSS, see: http://www.norc.org/NR/rdonlyres/21C53AAC-1267-43B6-A915-A38857DC9D63/1288/AppendixG.pdf

Codebook for the General Social Survey extract, 1990-1998
**polviews**: Respondent’s political views

1: Extremely Liberal  
2: Liberal  
3: Slightly Liberal  
4: Moderate  
5: Slightly Conservative  
6: Conservative  
7: Extremely Conservative

**didvote**: Did respondent vote in the most recent Presidential election?

0: No  
1: Yes

**choice88**: Who did respondent vote for in the 1988 election?

1: Dukakis  
2: Bush

**vote92**: Did respondent vote in the 1992 Presidential election?

1: Voted  
2: Did not vote  
3: Not eligible  
4: Refused

**choice92**: Who did respondent vote for in the 1992 Presidential election?

1: Clinton  
2: Bush  
3: Perot

**clintn92**: Did respondent vote for Clinton in 1992?  
**bush92**: Did respondent vote for Bush in 1992?  
**perot92**: Did respondent vote for Perot in 1992?  

0: No  
1: Yes

**choice96**: Who did respondent vote for in the 1996 Presidential election? [1998 only]

1: Clinton  
2: Dole  
3: Perot

**clint96**: Did respondent vote for Clinton in 1996?  
**dole96**: Did respondent vote for Dole in 1996?  
**perot96**: Did respondent vote for Perot in 1996?  

0: No  
1: Yes

**relig**: Respondent’s religion

1: Protestant  
2: Catholic  
3: Jewish  
4: None  
5: Other

**prostnt**: Is respondent Protestant?  
**catholic**: Is respondent Catholic?  
**jewish**: Is respondent Jewish?  
**norelig**: Is respondent not religious?  
**othrelig**: Is respondent another religion?
libprot: Is respondent a liberal Protestant?
modprot: Is respondent a moderate Protestant?
fundprot: Is respondent a fundamental Protestant?

0: No 1: Yes

relinten: Respondent’s religious intensity

0: No religion 1: Not very strong
2: Somewhat strong 3: Strong

fund: How fundamentalist is respondent?

1: Fundamental 2: Moderate 3: Liberal

sexsex5: Sex of R’s sexual partners in the last 5 years

1: Male only 2: Male and female 3: Female only

gay: Respondent is gay (has only had same-sex sexual partners in last 5 years)
gayorbi: Respondent is gay or bisexual

0: No 1: Yes

born: Respondent born in America?

0: No 1: Yes

parborn: Parents born in this country?

0: Both 1: Mother only
2: Father only 3: Mother, DK about father
4: Not mother, DK about father 5: Father, DK about mother
6: Not father, DK about mother 7: DK about mother or father
8: Neither born in the US

genam2: Both of respondent’s parents born in America?
genam3: All of respondent’s grandparents born in America?

0: No 1: Yes

wordsum: Score on 10-item vocabulary test (range 1-10; those who did not try to answer any of the items are coded as missing.

cappun: Favor or oppose death penalty for murder

0: No 1: Yes
prchoice: Support for abortion rights (0-7, based on 7-item scale)

abany: Supports abortion in any circumstances
abhlth: Supports abortion when mother’s health is in danger
abpoor: Supports abortion when can’t afford any more children
abnomore: Supports abortion when mother is married and doesn’t want more children
absingle: Supports abortion when mother is not married
abdefect: Supports abortion when there is a strong chance of a serious defect
abrape: Supports abortion when mother is a victim of rape

0: No 1: Yes

feminist: Do you consider yourself a feminist? [1996 only]

0: No 1: Yes

hapmar: Taking all things together, how would you describe your marriage?

1: Not too happy 2: Pretty happy 3: Very happy

health: Respondent’s self-rating of health

1: Poor 2: Fair 3: Good 4: Excellent

life: How exciting do you find life?

1: Dull 2: Routine 3: Exciting

helpful: Would you say that most of the time people try to be helpful, or that they are mostly just looking out for themselves?

1: Trying to be helpful 2: Looking out for themselves 3: Depends

fair: Do you think that most people would try to take advantage of you if they got a chance, or would they try to be fair?

1: Take advantage 2: Be fair 3: Depends

trust: Generally speaking, would you say that most people can be trusted or that you can’t be too careful in life?

1: Can be trusted 2: Can’t be too careful 3: Depends

confinan: How much confidence do you have in the people running banks and financial institutions?
conbus: How much confidence do you have in the people running major companies?
conclerg: How much confidence do you have in the people running organized religion?
coneduc: How much confidence do you have in the people running education?
confed: How much confidence do you have in the people running the executive branch of the federal government?
conlabor: How much confidence do you have in the people running organized labor?
conpress: How much confidence do you have in the people running the press?
conmedic: How much confidence do you have in the people running medicine/medical industry?
contv: How much confidence do you have in the people running television?
conjudge: How much confidence do you have in the Supreme court?
consci: How much confidence do you have in the people running the scientific community?
conlegis: How much confidence do you have in Congress?
conarmy: How much confidence do you have in the people running the military?

1: Hardly any  2: Only some  3: A great deal

older: As you know, many older people share a home with their grown children. Do you think this is generally a good idea or a bad idea?

1: Good idea  2: Bad idea  3: Depends

satjob: On the whole, how satisfied are you with the work you do?

1: Very dissatisfied  2: A little satisfied  3: Moderately satisfied  4: Very satisfied

helppoor: Respondent self-placement from 1 to 5 on the following scale:

1: I strongly agree that the government should improve living standards of poor Americans [...] 5: I strongly agree that people should take care of themselves
