Evaluation Criteria

Submissions will be judged based on how well they demonstrate the following:

- Sophistication, originality and/or unusual depth or breadth in the use of library resources and collections in any format;
- Effective application of information literacy and fluency principles:
 - Determining information needs
 - Evaluating and analyzing information
 - Managing, organizing, and synthesizing information
 - Applying information in the context of the research paper
 - Communicating information in formats appropriate to an academic audience
 - Making responsible use of information by providing appropriate and accurate citations and credits;
- Evidence of significant personal learning and an understanding of the process of research and inquiry; and
- Overall quality of the submission, including editing and grammar.
