

# Hello, anybody out there?

**How to improve outreach efforts and build positive relationships for your academic instruction program.**

Do you find it challenging to get your message across to faculty, students and other departments on campus? Do you wish for better collaboration with those outside the library? Bring your own bright ideas to a lively discussion of how to reach out to different constituencies and build positive relationships.

Bright Ideas Roundtable Discussion

Sunday, January 22, 2006

4 - 5:30 p.m.

Hilton Palacio del Rio

Room: Corte Real D-F

## Round Table Topics:

Outreach to undergraduates, including first-year students

Outreach to graduate students

Collaboration with nonacademic departments

Partnering with faculty

Cool marketing ideas

Outreach to adjunct faculty or teaching assistants

**ACRL-IS Management of Instruction Services Committee**
