**Anamia Against Itself**
---
Duration: 50 minutes
Produced by Films Inc.

This documentary provides interviews recorded in 1968 with students, educators, reporters, writers, and other individuals from various walks of life discussing the Vietnam War and the American National Convention. The documentary shows how the police handled the demonstrations and the actions during the convention and how the protesters affected the event.

The Primaries, Part 1: Challenge to a President

This documentary, part of the making of the President Victim Film series, shows how the 1968 primaries were different from campaigns of previous years. It also examines how the conventions of 1968 were different from previous years.

**OCTOBER 30, 12:00 p.m.**

**Community**
---
Duration: 50 minutes
Produced by Films Inc.

This academic documentary provides a look into the joys and sorrows of communal living. Author Peter Coyote and other young artists and activists moved to a remote California community to create a new world, mixed with the device "Peach Land for Free Peaches." With contributions from ordinary citizens and those who helped them, it brought an additional perspective on the events.

**Symposium**

The Principles of the Computer

This documentary explores the principles of the computer and its impact on society.
