-

Monopod with Power-lok Cradle, Base Plate and Field Tip

- This set-up mounts the monopod directly to gun with a strapping system for quick and easy attachment. The Power-lok cradle fits all guns and will not scratch the stock. It also offers our unique swivel system for tilting at any angle. Monopod comes with our interchangeable Base Plate for tree stand hunting and a Field Tip for snow, ice or dirt.
- With two models to choose from, we have the tall 24" to 61" or the shorter 18" to 41". Both models come with the new Flip Cam Tubing.
- Power-lok cradle is interchangeable with other accessories.
- Approximate price: \$110.00
- LevelLok by Brutis Enterprises Inc.
105 South 12th St.
Pittsburgh, PA 15203
Toll Free: (888) 461-7468
Fax: (412) 431-1569

Monopod with V-Cradle, Wrist Strap, Base Plate and Field Tip

- Unlike the Power-lok cradle, the V-cradle does not attach to the gun; however, it provides excellent gripping power on the stock of the gun.
- Rubber padded "V" is ideal for any rifle, shotgun (turkey hunting) and handgun. A must for African safaris. The V-cradle is interchangeable with other accessories.
- Approximate price: \$96.00.

Shooting Rest

- With a mouthpiece or a joystick you control the movement left and right, up and down, and when zeroed in on target, a sip on a vacuum tube will touch it off.
 - The shooting rest is totally hands free and easy to use. SR77 has used a Remington 600 .223, a Ruger mini-14 .223, a Ruger 6mm, a Ruger 7x57, a Ruger 30-06, a Ruger 77\22, and a Ruger 10\22 for testing.
 - Also the Barnett Wild Cat XL Crossbow and the Horton Hunter Supreme compound crossbow works well on the Shooting Rest. Shotguns can also be used, if automatic. Almost any rifle can be used.
 - Approximate price: \$1,100.00.

-

Strikefighter

- Using standard fishing gear, the Strikefighter takes the main work of pumping your rod from your arms to your legs and hips. The work is done by shifting your body weight from one foot to another or just slightly raising the leg that the Strikefighter is attached to. Handles trout to salt water fish. Can be used on either leg and does not require leg function. The Strikefighter is firmly attached with a gimbal.
 - Approximate price: \$89.00.

-

Strong Arm

- The Strong Arm is a versatile fishing rod holder. This is an excellent product for anyone with limited or no grip. With this rod holder even lower level quadriplegics can cast by themselves. Made of 6 oz. oil treated leather, it can be worn over or under most clothing.
 - Approximate price: \$62.00.
