Hyderabad CIEE Courses and IU Equivalencies

NOTE: this **tentative** list includes fall AND spring semester courses and is subject to change

NOTE: undistributed 100-level (-OS 100) courses have not yet been evaluated by a department on campus, so they do not have an IU course number. You may present the course description/syllabus to the appropriate departments so they can assign an IU course number before you go abroad. Some departments may require you to present the course materials for their review after you complete the program.

You may leave the course as -OS 100 and count the hours as elective credit toward graduation, or in some cases these courses may be used to fulfill distribution (AH, SH) requirements. This list is tentative and includes fall AND spring semester courses

The CIEE Web site has the most up-to-date list of course offerings.
(CIEE does not list IU equivalencies)
