

Pontificia Universidad Católica del Peru (PUCP)

2009-2010

Select courses as follows (12 to 14 credits in total). Please note: If a student wishes to select more than 14 credits, special arrangements can be made with the PUCP; however, student will to pay additional for any credits over 14.

Note: Students are able to take courses across most university disciplines. This list is merely a representation of the courses previously taken by former IU students and is by no means the limit of courses being offered at la Pontificia Universidad Catolica del Peru.

1. Use the following list of courses and the PUCP Web site (<http://www.pucp.edu.pe/estudios/>) to make a tentative class schedule. You will finalize your schedule upon arrival in Lima, and you are required to take a minimum of 12 credit hours and a maximum of 14 credit hours per semester
2. 12 to 14 credits generally constitutes three (3) to four (courses) per term depending on credit hour designation
3. Courses are direct enrollment courses with Peruvian students. All courses are taught in Spanish.

PUCP Courses and IU Equivalencies

NOTE: this **tentative** list includes fall AND spring semester courses and is subject to change

NOTE: undistributed 100-level (-OS 100) courses have not yet been evaluated by a department on campus, so they do not have an IU course number. You may present the course description/syllabus to the appropriate departments so they can assign an IU course number before you go abroad. Some departments may require you to present the course materials for their review after you complete the program.

You may leave the course as -OS 100 and count the hours as elective credit toward graduation, or in some cases these courses may be used to fulfill distribution (AH, SH) requirements. This list is tentative and includes fall AND spring semester courses

This is just a representative list of courses that have previously been taken by IU students. There are hundreds of courses available from dozens of departments. You are NOT limited to the courses listed below.
