

London CIC Internship program Course Equivalencies

****This list is subject to change.****

NOTES: *Undistributed Overseas Study courses (-OS 100) have not yet been evaluated by a department on campus, so they do not have a specific IU equivalent. You may present the course description/syllabus to the appropriate department to have the course pre-approved for a specific IU equivalent before you go abroad. Some departments may require that you present course materials after you complete the course before the departments will grant a course equivalency. In some cases the course may count as elective credit only. You may leave the course as -OS 100 and count the hours as elective credit toward graduation, or in some cases these courses may be used to fulfill distribution (AH, SH) requirements.*

Successfully completing the London-CIC semester program automatically fulfills a Culture Studies-A requirement for students in the College of Arts & Sciences and School of Journalism.

Students are required to take 14-16 credits on this program:

- I. Required Internship Placement (4 credits)** *includes an academic research project.*
- II. Required *Working in the UK & EU* seminar course (4 credits)**
- III. Additional 6-8 credits in courses** from the following options:**
 - a. Arcadia-taught courses** (4 credits each)
 - b. City University course offerings** (3 credits in fall; 4 credits in spring)
***For example, students can choose two courses at City University, 1 course from City University and 1 course from Arcadia London Center offerings, or both courses from Arcadia London Center offerings.*
 - c. London College of Fashion courses** *(available for students with appropriate majors)*
