You may present the course description/syllabus to the appropriate departments so they can assign an IU course number before you go abroad. Some departments may require you to present the course materials for their review after you complete the program.

You may leave the course as -OS 100 and count the hours as elective credit toward graduation, or in some cases these courses may be used to fulfill distribution (AH, SH) requirements. This list is tentative and includes fall AND spring semester courses
