CIEE Courses and IU Equivalencies

NOTE: Undistributed Overseas Study courses (DEPT-OS 100) have not yet been evaluated by an IU department, so they do not have a specific IU equivalent yet. You may present the course description and syllabus to the appropriate department to have the course pre-approved for a specific IU equivalent before you go abroad. Please note that some departments may require that you present course materials after you complete the course before they will grant a course equivalency. In some cases the course may count as elective credit only. DEPT-OS 2/3/400 courses have been evaluated by the department as being equivalent to 2/3/400 level coursework, but there is no specific IU equivalent based on content. This tentative list includes fall AND spring semester courses and is subject to change.
