Bologna Consortial Studies Program (BCSP)

Select Courses as follows (15 credits minimum):

1. Required Pre-session language Course (3 credits)
   a. Fall and AY only (waived for spring students)
2. Required Language courses (3 credits)
3. University of Bologna Courses
4. BCSP Content Courses
   a. AY students must enroll in at least one BCSP content course per semester

Important Notes:

- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You may check the University of Bologna website for a listing of schools, departments, and possible courses (program/provider does not list IU equivalencies).
- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.
- **Indiana University students only:** 400-level FRIT equivalencies have been granted in the past when a student has consulted with the Director of Undergraduate Studies and has satisfied the workload requirement of a 400-level Italian course at IU. It is mandatory that you discuss the workload requirement of a 400-level course with the Director of Undergraduate Studies before you go abroad.

Symbol Key:

1. #GEN ED: This course will carry breadth of inquiry A&H credit
2. %GEN ED: This course will carry breadth of inquiry S&H credit.
3. !GEN ED: This course will carry breadth of inquiry N&M credit.
4. ++ Common Ground AH/SH credit awarded to students on a case-by-case basis
5. + IU Title: Special Topics in Foreign Study (elective credit in COLL)
6. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major. Students can earn up to 6 SPEA credits on an OVST study abroad program.
7. † Some courses have been evaluated for different equivalencies depending on what the student has previously taken. If the student has taken the first equivalency, then, and only then, would they be awarded the second equivalency.
8. ~For Biology B.A. and standard Biology B.S. degrees only (will not count for Areas of Concentration)
