Santiago, Chile CIEE
Liberal Arts Program

Select courses as follows (15-18 credits in total):

1. Required language course: 4 credits
   • Based on placement test results onsite

2. Required core course through CIEE: 4 credits

3. Required elective courses: typical enrollment in 2 or more courses to meet minimum of 15 credits
   • Classes selected onsite with CIEE assistance
   • The final list of courses is available during the first two weeks of the program in Santiago
   • Students select courses from options across a range of disciplines at the following universities:
     ➢ Pontificia Universidad Católica de Chile
     ➢ Universidad de Chile
     ➢ Universidad Diego Portales
   • It is recommended that students consider commute times when selecting courses onsite

4. Optional CIEE Elective course: 2 credits
   • Seminar on Living & Learning in Santiago
   • This class may be taken in addition to the required courses in 1-3 and after students have satisfied minimum enrollment in 15 credits

Important Notes:

• All courses on this program are taught in Spanish. Courses taken with Chilean students will require students to adapt to differences in educational system, style of instruction, and expectations. Carefully review course selections for any prerequisites or prior knowledge needed to be successful.

• IU students are not permitted to enroll in Art & Design (painting, ceramics), Sports (Mountain Climbing), or other activities-type courses without Overseas Study permission and 15 credits of degree-relevant classes first.

• Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the Santiago-CIEE program website (CIEE does not list IU equivalencies).

• Undistributed 100-level (~OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.

Symbol Key:

1. #GEN ED: This course will carry breadth of inquiry A&H credit
2. %GEN ED: This course will carry breadth of inquiry S&H credit.
3. ++ Common Ground AH/SH credit awarded to students on a case-by-case basis
4. + IU Title: Special Topics in Foreign Study (elective credit in COLL)
5. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major. Students can earn up to two SPEA courses on an OVST study abroad program.
