Santiago, Dominican Republic CIEE

Liberal Arts Program

Select courses as follows (15-18 credits in total)

1. Required language course: 4-6 credits (pending placement)

2. Required core course: 3 credits

3. Required elective courses through PUCMM options: 7-9 credits (exact offerings vary per placement level)
   - **Level I:** 6-credit language course + CIEE core course +7 credit hours from PUCMM Spanish for Foreigners elective courses.
   - **Level II:** 4-credit language course + CIEE core course + 9 credit hours from PUCMM Spanish for Foreigners elective courses or direct enrollment in PUCMM University course offerings.
   - **Level III:** Required to take the 4-credit language course + CIEE core course + 9 credit hours of electives, one of which must be a direct enrollment PUCMM course.

PUCMM limits CIEE program participants to 16 credits taken at the university, including language.

**Important Notes:**

- All courses on this program are taught in Spanish. Courses taken with Chilean students will require students to adapt to differences in educational system, style of instruction, and expectations. Carefully review course selections for any prerequisites or prior knowledge needed to be successful.

- Course availability based on onsite language testing into Level I, Level II, or Level III

- IU students are not permitted to enroll in Art & Design (painting, drawing), Sports (basketball, etc.), or other activities-type courses without Overseas Study permission and 15 credits of degree-relevant classes first.

- Not all of these courses will be offered each term. The courses listed are those that IU students have taken in the past. They do not represent ALL courses available as part of the program. You can find a potential list of courses available on the Santiago-CIEE program website (CIEE does not list IU equivalencies).

- Undistributed 100-level (-OS 100) courses have not yet been evaluated by an IUB department. Courses with a DEPT–OS 100 equivalent will be applied towards overall credits to graduate. However, students may submit the course materials to that department to be evaluated for specific credit either before or after studying abroad. If a course is listed as OS200/300/400, the course has been evaluated by the academic department.

**Symbol Key:**

1. #GEN ED: This course will carry breadth of inquiry A&H credit
2. %GEN ED: This course will carry breadth of inquiry S&H credit.
3. ++ Common Ground AH/SH credit awarded to students on a case-by-case basis
4. + IU Title: Special Topics in Foreign Study (elective credit in COLL)
5. ^ SPEA Topics courses; must obtain advisor approval whether course will apply to specific SPEA major. Students can earn up to two SPEA courses on an OVST study abroad program.
